Materials:

* body and internal filling of products - chipboard 22, 18 mm thick, lined with natural radial veneer "beech";

* facades, plinths, cabinet covers, mirror frame - solid beech 25, 21 mm thick (beech shield);

* the paintwork is silky-matt (open pore) with tinting in 3 colors (at the customer's choice):
natural beech (01), walnut (09), pearl (05)[¶];

* insert on the facades of whatnots - patterned corrugated glass-screen;

* furniture fittings:

guides for concealed installation of partial extension with a door closer (production Samet, Turkey);
hinges with a door closer (produced by Samet, Turkey).

¶ The price for products in the color "pearls" (05) is calculated as RETAIL + 20% and is made on an individual basis.
