Materials:

* body and facades of products - MDF 38, 32, 18 mm thick, painted with white enamel (RAL 9003), gloss - 60 gloss;

* inner frames of boxes, shelves and back walls - laminated chipboard 16 mm thick white (manufactured by Kronospan, Ukraine);

* the head of the bed is decorated with a matte print pattern;

* furniture fittings:

guides for concealed installation of partial extension with a door closer (production Samet, Turkey);

hinges with a door closer (produced by Samet, Turkey).

overhead handles, chrome-plated (produced by Samet, Turkey).

The beds are equipped with a stationary reinforced metal frame or with a lifting mechanism with shock absorbers 1200N (beech lamellas are used, the distance between the slats is 40 mm).
